OXMATREO 01.10.2020 – 08.02.2020 It was a very calm Sunday, with a few snowflakes falling here and there. We needed to take some pictures to cover the adventures of the new expansion, so we had a pre-reboot of the servers a few days before the patch. The last server sync before the patch, and the results of the first days of the expansion were amazing. Everyone was really enjoying the new expansion, and OXMATREO was packed with people – and with prizes to give
