Jan 2, 2022 - Coub is a YouTube video looping tool. You can take any video, trim the best part, combine it with other videos, add a soundtrack. It's all up to you. So, I want to make some of my friends and family happy so they can enjoy their vacation in Thailand. I would start making these videos for someone (my brother) to come to Thailand. I would make a video of them where he and I would be in Thailand. I would make a video where I would be in Thailand. I would make a video of us living in Thailand. I would have made a video of us swimming. I would make a video of us shopping.
