Since its inception, KINGDOM HEARTS has always been a game that places the player as the central character and gives the player an emotional journey to experience. We are now offering another way for players to experience the emotional progression by trying something new – the KINGDOM HEARTS action RPG game. The development of KINGDOM HEARTS for smartphones and tablet PCs is based on the same engine from the KINGDOM HEARTS for PlayStation 2, and is equipped with many worlds and features that will expand the long-running series. Players will be able to adventure across various fields and dungeons, and confront unimaginable challenges along the way. Climb over dungeons, use various combat skills and wield weapons, and start your own adventure as an Elden Lord! * Get a sense of power with over 90 weapons and over 200 different kinds of enemies. * Create a unique character with over 100 skills and over 20 kinds of armor. * Battle in 3D, using the game's spatial battle system that has been improved to work with touchscreens.

EMOTIONAL PATH The evolution of the KINGDOM HEARTS series always places the player in the center. We think it's time for us to embark on a new journey, and have developed a world that allows players to experience their own emotions as they play. To that end, we have built a world in which the various thoughts of the characters intersect. The vast world of the Lands Between contains many expansive worlds and expansive dungeons, that allow you to engage in more ways than ever before.

ABOUT KINGDOM HEARTS ACTION RPG The KINGDOM HEARTS for smartphones and tablet PCs game offers a new way to experience the emotional progression by placing you at the center of the action.
